# Umrah

**Umrah is one of the best deeds and acts** which draw you closer to Allah. When performing Umrah, the pilgrim turns toward the House of Allah with his heart, tongue, limbs, and seeks His mercy and pleasure.

In this guide, you will find the most important information, instructions, and advice you need to know during your Umrah trip.

# The Virtues of Umrah

Here are some of the many virtues of Umrah:

- It cleanses sins and removes poverty and need. The Prophet (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) said: “Perform Hajj and Umrah consecutively; for they remove poverty and sin as the bellows removes impurity from iron.”

- Repeating Umrah expiates the sins committed between them. The Prophet (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) said: “**From one Umrah to the next is an expiation for what was committed between them.**”

“**From one Umrah to the next is an expiation for what was committed between them.**”

# Umrah in a Nutshell

Umrah is an act of worshipping Allah by entering the state of Ihraam, performing Tawaf around the Ka'ba, Sa'i between Safaa and Marwa, and shaving or trimming your hair.

# 1

A Muslim enters into the state of Ihraam from the place specified for him by Islamic law, and he abstains from the prohibitions which he is prohibited from while in Ihraam.

# 2

He recites the Talbiyah, saying:

***Labbayk-Allaahumma labbayk, labbayka laa shareeka laka labbayk. Innal hamda wan-ni'matah laka wal-mulk, laa shareeka lak.***

“At Your service, Allah, at Your service. At Your service, You have no partner, at Your service. Truly all praise, favour and sovereignty is Yours. You have no partner.”

For more information concerning the Ihraam, download the Ihraam guide

[Click here](#)

# 3

He goes to the Haram, performs Tawaf around the Ka'ba seven times, with the Ka'ba his left. He begins at the Black Stone and ends at the Black Stone.

# 4

He prays two rak'aas after completion.

# 5

He heads to Safa, and from here he heads towards Marwa. If he reaches Marwa, he has completed one circuit. Then he returns to Safa to complete the second circuit, and so on, until he completes seven circuits, ending in Marwa.

6

Men shave or trim their hair, and women gather their hair and cut from its ends as much as a fingertip (1-2 cm).

**Thus, the Umrah is complete  
and Ihraam ends.**

# Umrah for People Performing Hajj At-Tamattu

Tamattu' refers to a person who wishes to perform Hajj and first enters into the state of Ihraam to perform his Umrah. Then, after completing his Umrah, he leaves the state of Ihraam, only to re-enter the state of Ihraam on the eighth of Dhul-Hijjah. In this way, he has completely separated his Umrah from his Hajj.

# How to Perform At-Tamtu

- **One takes on the state of Ihraam for Umrah in the Hajj-months (Shawwal, Dhul-Qi'dah and Dhul-Hijjah).**

- **When he reaches Makkah, he performs Tawaf and Sa'i for his Umrah, shaves or trims his hair, and then leaves his Ihraam.**

- **On the day of Tarwiyah (the 8th of Dhul-Hijjah), he re-enters the state of Ihraam for Hajj and performs all its actions.**

# How to Reach The Grand Mosque

There are different ways to **get from the airport to the Grand Mosque**:

-  **Taxis**
-  **Buses of Hajj and Umrah companies.**
-  **Haramain High Speed Railway**
-  **Car rental**

### **If you use your own car or a rental car:**

Remember, you cannot drive into the neighbourhoods of Makkah, to avoid traffic jams.

**You will be asked to park your car in one of the car parks in the Holy Capital:**

**The parking lot of Al Zaher.**

**Kudai parking lot.**

**Jamarat Parking Lot**

**The parking lot of Ar-Rusayfah**

**The parking lot of Duqm Al-Wabr**

**Haramain High Speed Railway Parking Lot**

**The parking lot on Prince Mutaab Road**

**(Al Masafi Tunnels)**

From there, buses are available to serve pilgrims performing Hajj and Umrah, taking them directly from all car parks to the Grand Mosque.

# Haramain High Speed Railway

**A high-speed train, serving pilgrims performing Hajj and Umrah.** The train connects the regions of Makkah and Madinah, passing through the most important sites between them.

**The location of the train station in Makkah:  
The station is located in Al-Rusaifa District,  
3.5km from the Grand Mosque.**

There are

**4750 parking spaces**

**And dedicated buses for transportation  
from the Station to the Grand Mosque.**

## Important Instructions:

You can book a ticket through the Haramain High Speed Railway website.

Check your luggage allowance through the website.

At the train station, there are buses and taxis which take you to the Grand Mosque.

Make sure to arrive at the train station on time.

and appointments**

# Important Tips Before Arriving at the Grand Mosque

The pilgrim should not go to the Grand Mosque until after coordinating with the official of the group he came with, in order to know the exact time for performing Umrah. It is also important to clearly know the location of his residence, and to save the address on his mobile phone or on a piece of paper.

**If you are coming to the Grand Mosque via buses:** Remember the bus stop and be sure of the meeting point after completing your Umrah.

**When you arrive** at the squares around the Grand Mosque you will find panels in front of the gates showing those coming from far away whether the gate is suitable for entry or exit.

# Escalators

You will usually need to use the escalators to go up or down in the Grand Mosque and its squares and services, so here are the most important warnings when using the escalators:

**1**

Do not sit on the escalator, even if you are tired.

**2**

Stand firmly on the escalator and hold onto the moving belt.

**3**

Women should be careful that their hijabs and jilbabs do not get stuck at the end of the escalator.

**4**

Walk immediately after reaching the end of the escalator so that people do not collide into you from behind.

# 5

Do not take wheelchairs onto the escalator, unless you do so with the help of a competent person.

# 6

If you have an elderly person or a person who is not accustomed to taking the escalator, be by his side and hold him to protect him from falling.

# 7

Do not push or harm pilgrims if there is crowding when going up or down, and give all pilgrims an opportunity to get on.

# 8

Do not place your foot on the side brush at the bottom of the escalator, as this may injure you and disrupt the cleaning system of the escalator.

# Tawaf

**Tawaf** is an act of worship to Allah in which the Muslim performs Tawaf around the Ka'ba, worshipping Allah and drawing close to Him according to what He has prescribed.

## The beginning and end of Tawaf:

- **The pilgrim performing Hajj or Umrah begins his Tawaf from the corner where the Black Stone is.** There is a green sign indicating this on the upper floors.
- **The pilgrim performing Hajj or Umrah should perform *Takbeer* (saying “Al-laahu Akbar”) in each round** when he passes the Black Stone, the pilgrim is not required to perform *Takbeer* exactly at this point. one can perform Takbir somewhere near this point. So if the pilgrim finds himself past the Black Stone, he can still perform *Takbeer*.

- The pilgrim performs *Takbeer* and points with his hand facing the Black Stone, then begins his Tawaf with the Ka'ba to his left (counterclockwise). Kissing the Black Stone is a Sunnah for those who are able to do so, but this is difficult during the seasons of worship and crowded days.

- **The pilgrim continues performing Tawaf, supplicating Allah and praying humbly to Him.**
- **When the pilgrim reaches the corner which precedes the Black Stone, called the Yemeni corner, it is desirable for him to touch it if possible, but this will be difficult during the Hajj season.**
- **Then he ends his circuit at the corner of the Black Stone, which is the place from which he started. Here, he points with his hand and performs *Takbeer*, and with this he has completed one circuit.**
- **He repeats this until he completes 7 circuits.**

## General tips while performing Tawaf:

- Stopping inside the area of *Tawaf* causes crowding and pushing.

- Do not go in the opposite direction of *Tawaf*, whatever the reasons.

- Avoid crowded areas.

- Be sure to wear a face mask, and apply precautionary measures.

Special wheelchairs for *Tawaf* are available for the elderly and those who need them. You can find more details about this by

# Sunnahs of Tawaf

## Al-Ithiba:

This is a special way of wearing the Ihram for men, by which he brings out his right shoulder, following the example of the Prophet Muhammad (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ).

### **Ar-Ramal:**

Ramal is fast walking with small footsteps (not jogging) during the first three circuits of Tawaf if possible (without harming the people around you). Then, the remaining four circuits are completed in a normal walking pace.

### **Supplication:**

Increase your supplications and invocations to Allah for what matters to you and pre-occupies your heart. It is Sunnah to say at the last part of Tawaf between the Yemeni Corner and the Black Stone "*Rabbanaa aatinaa fid-dunyaah hassanatan wa fil aakhirati hassanah, waqinah adhaab-an-naar*" ("Our Lord, give us goodness in this world and goodness in the Hereafter and protect us from the punishment of the Fire").

# The Two Rak'aas of Tawaf

If the pilgrim performing Hajj or Umrah has completed the seven circuits, he should cover his shoulder. Then, it is Sunnah for him to pray two swift Rak'aas behind Maqaam Ibraahim according to the place designated by the responsible authorities, or he may pray them anywhere in the Grand Mosque. Allah the Almighty said: ***“And take ye the station of Abraham as a place of prayer.”*** [Surah Al-Baqarah, Ayah 125].

## The right place to perform the two Rak'aas of Tawaf:

- The pilgrim can pray them anywhere in the Grand Mosque, according to the instructions of the security men at that specific time.
- But if it is easy for him to pray so that **Maqaam of Ibraahim is in front of him, even from a far place**, then this is desirable, because Allah the Almighty says: "*And take ye the station of Abraham as a place of prayer.*"

- **Beware of irritating the people performing Tawaf** or disrupting them, for the person performing Tawaf has priority and more right to be there. Allah mentioned them first in His Book when He said: ***“Purify My House for those who perform Tawaf and those who are staying [there] for worship and those who bow and prostrate [in prayer].”***

**It is Sunnah to recite Surah Al-Kaafiroon in the first rak'aa and Surah Al-Ikhlaas in the second.**

■ The Messenger of Allah (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) drank from Zamzam after he finished his Tawaf, and it is Sunnah to do as he did. This is very easy nowadays while on your way to perform Sa'i and inside the place of Sa'i, as Zamzam water dispensers are spread throughout the Grand Mosque.

# Sa'i: How to Reach the Place of Sa'i

- When you finish your Tawaf, you will find panels which guide you to the place of Sa'i and point towards Safa, where Sa'i starts.

We advise you, after completing your Tawaf, to head to the place of Sa'i on the upper floors:

- In order to avoid crowding on the ground floor.
- In order to make things easier for yourself and your Muslim brothers.

**To reach the upper floors of the place for Sa'i:**

Head to the designated escalator entrances

(you can ask the security guards to show you the way).

# Safa and Marwa

**Safa and Marwa** are two small mountains on which Hagar (Mother of Ismail), peace be upon him, climbed in search of food or water.

## Safa:

- A small hill from which Sa'i begins.
- The rocks of the hill are still visible on the ground floor.

## Marwa:

- A small hill where Sa'i ends.
- Sa'i ends here.

Sa'i between Safa and Marwa is one of the rituals of Hajj and Umrah:  
Allah the Almighty said: "***Behold! Safa and Marwa are among the Symbols of God.***"

# Description of Sa'i

The pilgrim worships his Lord by walking the distance between Safa and Marwa 7 times, as his Noble Messenger (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) did.

**One starts his Sa'i in Safa and ends it in Marwa.**

- Walking the distance from Safa to Marwa is considered one circuit.
- From Marwa to Safa is considered the second circuit, etc.

## The two green signs:

It is recommended for men who are able, to run between the two green signs, as did the Messenger of Allah (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) .

# Supplication at the Place of Sa'i

## Supplication at the place of Sa'i:

The pilgrim should fill the entire time of Sa'i with remembering and supplicating Allah or with reciting the Qur'an.

## Supplication at the beginning of Safa and Marwa:

When the pilgrim arrives at the beginning of Safa or Marwa, it is Sunnah for him to raise his hands towards the Qiblah at the beginning of each circuit and supplicate to Allah and say “*Allaahu akbar*” before starting a new circuit.

### The supplication of Allah's Messenger

(صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) :

When the Messenger of Allah (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) first reached Safa after Tawaf, he would recite the Words of Allah the Almighty: **“Behold! Safa and Marwa are among the Symbols of God.”** Then he would say: “I begin with that which Allah began with.” (meaning Safa before Marwa).

**When climbing up Safa and Marwa,** the Prophet (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) used to face the Qiblah and say: *“Allaahu akbar, Allaahu akbar, Allaahu akbar, laa ilaaha il-Allaah, wahdahu, laa shareeka lahu, lahul mulku wa lahul-hamdu wa huwa ‘aala kulli shay’in qadeer. Laa ilaaha il-Allaah hu wahdahu. Anjaza wa’dahu, wa nasara ‘abdahu, wa hazamal-ahzaaba wahdahu.*

Allah is the greatest; Allah is the greatest; Allah is the greatest. There is no deity except Allah, alone without a partner. To Him belongs the Dominion, and to Him belongs all praise. He gives life and death and He has power over everything. There is no deity except Allah alone. He fulfilled His promise, supported His slave and defeated the confederates alone.

After that he supplicates with whatever he wishes, and then repeats this a total of three times.

**The person performing Sa’i should not stop to pray in a place which disrupts movement** and causes crowding, and he must adhere to the instructions of security personnel in the Grand Mosque.

# Repeating Your Umrah

It is recommended to travel again to perform **Umrah** from time to time, for those who are able. As the Prophet ﷺ said: **From one 'Umrah to the next is an expiation for what was committed between them.**"

**But repeating the Umrah in the same trip was something not known among the Companions, except for a reason.** After performing their Umrah, they used to perform a lot of acts of worship, such as reciting the Qur'an and praying.

However, if it brings ease to the pilgrim, it is permissible **to repeat Umrah on the same trip, for oneself or for others, if that does not cause hardship for other pilgrims.**

**Whoever wishes to perform Umrah must obtain permission from the official applications** and perform Umrah at the time specified for him.

**Click here to download the Nusuk app**

Whoever wishes to perform Umrah and issues the official permit, **must leave the boundaries of the Haram to enter the state of Ihraam from there. He can, for example, go to the mosque of 'Aishah - may Allah be pleased with her** - in Al-Tan'im and enter Ihraam from there.

To reach the mosque of 'Aishah, may Allah be pleased with her

**Being satisfied with performing only one Umrah during the busy seasons helps reduce stampedes and leaves an opportunity for other pilgrims who were unable to perform Umrah to perform their Umrah in peace and tranquility.**

# Health Tips

**To regulate body temperature, avoid fatigue and compensate for the loss of fluids:**

We recommend drinking large amounts of Zamzam water, bottled water, and juices.

## To protect your feet when walking on tiles:

- Take a break when you feel tired.
- Avoid walking barefoot for a long time.
- Do not walk barefoot on the tiles of the outer squares.

## How do I protect myself from skin abrasions?

- Clean and shower before Umrah.
- Use ointments between your thighs (available at pharmacies).
- Apply anti-fungal powder.
